### ONE STEP AT A TIME PROGRAM: PARENT SUPPORT FOR CHILDHOOD ANXIETY

**Swinburne Psychology Clinic**

Parents / guardians:

Do you have a primary school-aged child experiencing symptoms of anxiety?

Clinicians at Swinburne University have developed a program to help parents manage childhood anxiety in children aged 6-11 years.

Does your child experience any of the following?

- Difficulties sleeping at night due to worries
- Fears and phobias
- Difficulty separating from you or worrying about parental safety
- Trouble sleeping alone in their bed
- Fear of the dark
- Scared of lifts, trains, and people
- Fear of dogs and other animals
- Excessive worry and constant reassurance seeking
- Fear of germs and other health problems

The One Step at a Time Program involves:

- Comprehensive psychological assessment of your child's anxiety
- Seven sessions of online counselling through video conferencing
- Parent-focused cognitive behavioral therapy (CBT) skills to help you manage and support your child's anxiety
- Two combined parent-child sessions
- Reflective parenting strategies
- Access to a website with self-help materials to supplement therapy.

#### **Cost**

\$20 per session/assessment.  
Treatment consists of seven therapy sessions plus one assessment session.

# Classroom Cuisine

*Last week, our very own Master Chef food tasters were lucky to sample the BRAND NEW version of Classroom Cuisine's Margherita Pizza!!*

*It was a unanimous YES for the change to 'Margherita Twist Pizza'!*

*Special Thanks to our friends at Classroom Cuisine for inviting some of our lucky students for their professional opinions!!*

**Order from our ENTIRE MENU until 8.30am on the day!**

**Update for Term 3, 2024**

- New Menu Items – Reduction to Entry Point Pricing!
- Loyalty Reward Vouchers

Hi Everyone!

Term 2 is rapidly drawing to a close & we're already planning for Term 3. We've got exciting news to share about the ways that Classroom Cuisine is continuing to evolve to meet the needs of families and children that already use our service and those who might like to.

We've always strived to be a premium supplier, wanting to lead the way with our menu, sourcing top quality produce and trying to encourage children to experiment with their food choices. We've also been focussed on increasing options for those with dietary concerns as well as cultural preferences and using the absolute best packaging available in terms of sustainability.

With the current economic conditions, and through talking with our schools, we know that right now that's all a 'good to have', but some families are really in need of a budget option.

In response to the current challenges, but without having to compromise on quality or service, we've collaborated with our suppliers, to introduce some new initiatives with our menu, pricing structure and loyalty reward vouchers. We want to continue to keep the ability to outsource a lunch accessible to everyone.

## **New Menu Items & Reduced Entry Point Pricing**

In order to provide a lunch at a lower price point, we've created new, simpler menu choices. Our entry point price of \$6.45 will be available for a 2 course lunch offering either a;

- Cheese & Vegemite Scroll (white hi fibre, it's wholemeal on our premium menu)
- Fresh Tomato bakery roll
- Savoury Bite (1 Frankfurt in a roll with sauce & cheese)
- Plain Cheese Roll
- Ham Sandwich on sourdough (1 round)

Along with a choice of 20 items from our snack/drink menu to make up the 2-course lunch.

## **Loyalty Vouchers**

With a cut off time of 8.30am on the day for ordering we have strong time pressure to get it right, so any ability to plan is an enormous help. Having a greater understanding of demand by encouraging advance ordering will allow us to manage our business better in terms of planning...if we can save, so can our customers! We'll provide a 10% voucher rebate on orders placed in the first week of each school term where the spend is more than \$120 in one transaction. We'll send a reminder email each term to make sure parents who might be keen to take up the offer will be aware of it.

## **Further info about us and discussion points we'd love to hear back from your School Community about**

• **SUPPORTING DISADVANTAGED STUDENTS.** We are considering initiatives around the provision of free lunches for disadvantaged students. We would love to talk to anyone who has ideas in this area!

• **FUNDRAISING!** Please don't forget that we are here to assist with fundraising. Many schools have taken up the opportunity to fund raise with us so far this year! Please be in touch if you would like to partner with us to create fundraising opportunities for your school.

• **OUR MENU /DIETARY NEEDS & CULTURAL CONSIDERATIONS** We've continued to develop our menu in the last 12 months with the introduction of more options that are halal, gluten free, dairy free and vegan. We are committed to continuing to develop our choices beyond our new entry point offering. We currently have 45 Main Course selections available. We have some exciting new additions that we're hoping will also compliment our Menu in T3. Roast Chicken is a hint! All will be revealed on this soon! When it comes to Menu Planning we are always pleased to hear of suggestions anyone might have!

• **SUSHI!** We're able to provide our full menu up until 8.30am on the day of the order at such a reasonable price because we have our own restaurant quality, in house dedicated team making our sushi. We're interested to know if there are any other flavours of sushi that your school would like to see on our Menu?

• **INSTAGRAM!** Yes, finally! We're excited to announce that we'll be on it very soon. Not just our food but our passionate people too! We'll let you know when we're live!

*Thanks so much for your time and support, we are very excited to bring this new offering to your school community, we hope it meets with your approval and would love to hear from you!*

# Community News

We are excited to announce the launch of our **Siena in Siena Year 9 Program**, commencing in 2026. The program will provide all Year 9 students at Siena College with an enriching educational experience in Tuscany, Italy.

During a three-week journey, students will fully engage with the local community in the heart of Tuscany, in a small town called Taverne, experiencing Italian culture and traditions. They will continue their academic studies, connect with peers from a local high school, and explore the language, history, cuisine and regional produce. Each group will also contribute to a community project, fostering a sense of belonging, service and connection.

Students will also travel to Rome, Siena, Florence, Bologna, Pisa and Assisi, deepening their understanding of our Dominican values and charism, and following in the footsteps of St Catherine of Siena to grasp her relevance in today's world.

In 2023, our first pilot group of Year 9 students experienced a three-week immersion program in Taverne. This year, we have a second pilot group embarking on a similar journey. In 2025, Year 9 students will have the opportunity to be part of an expanded, final pilot program.

*"The trip was one of the greatest experiences I've had in my life. The best things about the trip were the food, meeting the local community and immersing myself in the Italian culture, and being there with my friends."*  
Carla, Year 9 2023

This exciting program will allow students to embrace every opportunity – to do more – ensuring that they are empowered to explore, learn and grow; to ultimately be equipped with knowledge, confidence and compassion to be more in their future.

Further details about our Siena in Siena Year 9 Program will be made available on the College website later this year.

1 July 2024

Dear resident,

**Upcoming works:** Highfield Road, Camberwell

In February 2024, we told residents about our plans to install safer intersection treatments along Highfield Road (between Hunter Road and Toorak Road) in Camberwell.

A contractor has now been appointed to deliver these upgrades which aim to improve safety by improving conspicuity and creating separation between bicycle riders and motor vehicles.

#### What we are doing

A mix of safety treatments are being installed, including:

- green painted bicycle lane treatments at all intersecting roads
- edge line markings that provide vibration and warning when driven over on the approach and departure side of intersections
- extensions to the existing 'No Stopping' zone - extending to 20 metres on the Highfield Road approaches to the T-intersections.

#### When works are being delivered

Works are expected to begin from Monday 15 July 2024 and take 3-4 weeks to deliver (weather permitting). Works will be carried out between the hours of 7 am and 5 pm, Monday to Friday.

#### What to expect during the works period

Throughout the works period, you can expect:

- minimal noise caused by truck movements
- contractors to notify directly impacted residents of any vehicle access restrictions via door knocks and/or letter drops
- no impact to pedestrian access
- no changes to the placement of bins for your weekly collection.

It may be necessary to restrict on-street parking within the construction area. The contractor will endeavour to restrict the least amount of on-street parking as practical, and the restricted areas will be adjusted accordingly as construction progresses. Your cooperation in parking outside of the restricted areas is appreciated.

Every effort will be made to ensure noise is kept to a minimum. We thank you for your patience as we deliver these essential safety upgrades.
