Dear Resident

Re: On-road bike lanes - Highfield Road, Camberwell

We are writing to inform you of our plans to install safer intersection treatments along Highfield Road (between Hunter Road and Toorak Road) in Camberwell. This is an action we committed to deliver from our Boroondara Bicycle Strategy 2022.

Our aim is to improve safety by creating separation between bicycle riders and motor vehicles. Doing so will support more people to move around our city safely and sustainably.

Works are expected to be carried out before the end of June 2024. Below is a summary of the upgrades planned for this section of Highfield Road to improve safety for bicycle riders and motor vehicle drivers.

Highfield Road T-intersections (between Hunter Road and Toorak Road)

Along this section of road, we are installing:

- green painted bicycle lane treatments at all intersecting roads
- edge line markings that provide vibration and warning when driven over on the approach and departure side of intersections
- extensions to the existing 'No Stopping' zone – extending to 20 metres on the Highfield Road approaches to the T-intersections.

The 'No Stopping' zone will result in the loss of 1 to 2 on-street car parking spaces at an intersection. Access to properties will be maintained.

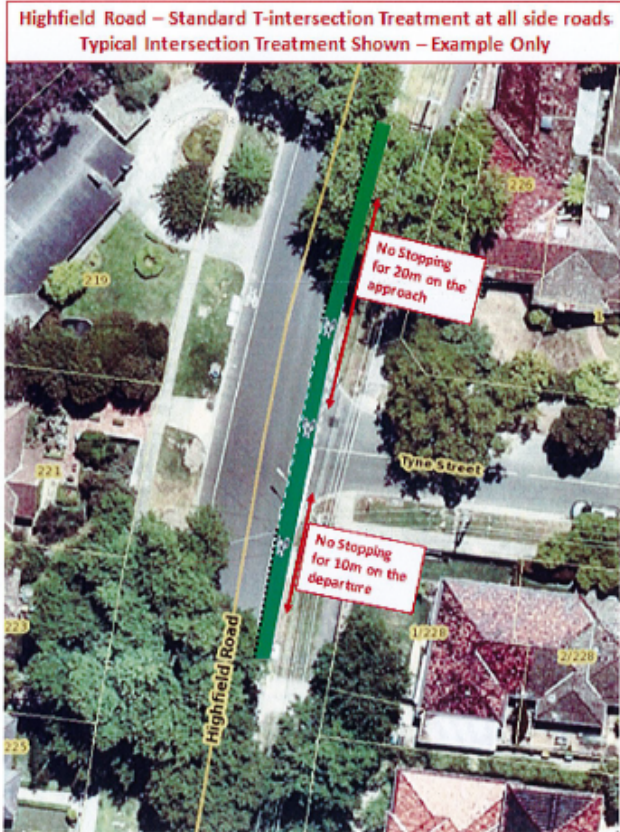

A copy of our concept sketch is also attached to this letter.
